

ALBA PARASOL 200 CM PARASOL BROWN

Art nr: HT4014920009

A beautiful crocheted parasol in cotton rope that elevates the patio to a new level. Here, trend and craftsmanship meet in a stylish combination that becomes both a mood-setting interior detail and a functional sunshade. The crocheted design gives an airy and cozy feel, while the parasol becomes a characterful piece of furniture in itself. Place it on the balcony, on the terrace, or take it to the beach; wherever you place it, it creates an inviting atmosphere. The pole measures Ø32 mm. The parasol has a smart tilt function and can be folded in several different positions. The bottom of the pole can easily be screwed into the sand.
